The students will be allowed to go home after the programme only with the parents or authorized guardian for Deepawali Break. No student will be allowed to go home alone. Before collecting your ward please complete all the necessary formalities in the House. Please do not take your ward without meeting the Housemaster. This is important.

The Annual Exams will commence from Saturday, 19 November, 2016 and will be over by 30th November, 2016 (Jrs) and 1st December, 2016 (Srs) by 12 noon. The students will be allowed to go home accordingly on the above dates for winter vacation. Parents desirous of admitting their children to Birla Vidyamandir, Nainital are requested to get their ward's name registered for the Admission Test. They can also download the Registration Form and related documents from our website www.birlavidyamandir.com.

Following the return of the students from Deepawali Break on 6 November 2016 the main focus of the institution will be on academics only in view of the forthcoming Annual Exam/SA-2 Exam. It will be our serious endeavour that our every student should emerge 'Successful' in the above examination by improving his previous performance and score high percentage.

Please ensure that your ward should not while away his time at home during Deepawali Break but should concentrate on studies to make best use of this time for the Annual exams preparation realizing the value & importance of time management & systematic studies. This will certainly help the students in improving their performance, generate confidence, boost their morale & enthusiasm and reduce the stress & anxiety of the exam. Needless to say that the success of students is our greatest strength. Our teaching faculty as a felicitator is very competent, well qualified, dedicated and committed to quality education and will take all necessary remedial steps to support & guide the students to work on academics.

After winter vacation the school will re-open in the first half of March 2017. The exact date of re-opening will be communicated well in advance.

With best wishes,
